

## 2021 Uphill Farm CSA Agreement

The purpose of this agreement is to outline the parameters of the Uphill Farm Market-Based CSA. We want to be fair to everyone and present a clear understanding of how the CSA works.

1. Uphill Farm will strive to be at every 2021 Rochester Farmers Market barring unforeseen circumstances or situations beyond our control. In the event we will not be at a market, we will notify through our Facebook page. We will be in attendance for the entire time the market is open, although we may sell out of certain items.
2. Your CSA membership balance is upgraded by 10% when you sign up and after any additional funds you may add, i.e. \$50 becomes \$55, \$100 becomes \$110.
3. Uphill Farm will continue to grow a wide assortment of vegetables and plant starts along with microgreens, berries, herbs and flowers. We grow everything that we sell. Should this change we will clearly state that we did not grow a particular item.
4. Uphill Farm does not use non-organic chemical pesticides, herbicides, or fertilizers in our farming operations. We do not have USDA Organic Certification. Our farming methods build the soil.
5. CSA member shares may be purchased for any amount over \$50 and may be purchased or added to at any time before or during the market season.
6. **Retail sales in stores are not included.**
7. We cannot give refunds for unused funds. We intend to have post-season special sales on fall products, at which time we would accept unused funds, but this is dependent on outside factors and cannot be guaranteed.
8. There is no obligation for a CSA member to purchase on a regular basis.
9. Uphill Farm will keep a running total of your spending and replenishment of funds. We will make this information available to you at any time you request.

If you wish to participate, please sign and return this form with a check for the amount you wish to pre-pay.
