

2023 Uphill Farm CSA Agreement

The purpose of this agreement is to outline the parameters of the Uphill Farm Flexible Choice CSA. We want to be fair to everyone and present a clear understanding of how the CSA works.

1. Uphill Farm will strive to be at every 2023 Rochester Farmers Market barring unforeseen circumstances or situations beyond our control. In the event we will not be at a market, we will notify through our Facebook page. We will be in attendance for the entire time the market is open, although we may sell out of certain items.
2. Your CSA balance may be used in our online store.
3. Your CSA membership balance is upgraded by 10% when you sign up and after any additional funds you may add, i.e. \$50 becomes \$55, \$100 becomes \$110. When adding money during the course of the season a \$50 minimum is required to receive the 10% credit.
4. Uphill Farm will continue to grow a wide assortment of vegetables and plant starts along with microgreens, berries, herbs and flowers. We grow everything that we sell. Should this change we will clearly state that we did not grow a particular item.
5. Uphill Farm does not use non-organic chemical pesticides, herbicides, or fertilizers in our farming operations. Our farming methods build the soil and respect the environment.
6. CSA member shares may be purchased for any amount over \$50 and may be purchased or added to at any time before or during the market season.
7. **Retail sales in stores are not included.**
8. We do not give refunds for unused balances. Please try to use your balance before the end of the season.
9. There is no obligation for a CSA member to purchase on a regular basis.
10. Uphill Farm will keep a running total of your spending and replenishment of funds. We will make this information available to you at any time you request.
